Dear Friend and Fellow Community Member,

Missoula Community School (MCS) is announcing our Spring Fundraiser and auction for 2018. This wonderful event will take place April 21, 2018. The evening will include a silent auction, live music from local musicians, beer and wine, as well as a great selection of finger foods. We would greatly appreciate your participation in the form of a donation for our auction.

Missoula Community School is a local non-profit (501c3) school that offers exceptional educational programs for children ages 3-8. This unique school focuses on community based learning. Many different projects and experiences that are offered throughout the school enable children to understand and more importantly become part of their community. The Community School offers each child a variety of learning opportunities that support their growth as joyful learners and nurtures self-respect for self and others. With your support, we can continue to offer creative and nurturing programs such as the Superheroes of Kindness, Mindfulness, communication skills development, and special activities like Pizza Day, Apple Day, gymnastics, and swimming. Your support will also help us redesign the playground, invest in teachers, and provide scholarships for families.

This annual auction is the most crucial fundraising event for the school. Tuition payments alone do not cover the costs of providing high quality early childhood education. Your support helps us reduce tuition costs for families while allowing the school to continue to provide the educational opportunities that make the school stand out as an education leader in Montana, as well as help to provide exceptional early childhood education to Missoula children. Not to mention it would also be an excellent promotional opportunity for your business.

Please consider an investment in our youngest citizens. Your donation will support the mission to inspire children to explore, create and care! Keep in mind our non-profit status makes your donation tax deductible (tax id #810541487). In addition, hundreds who attend this event will see your business name and associate it with the great things the children at MCS do for our community.

Let's think of community.  
Let's think of our children.  
Let's pass it on.

Most importantly, THANK YOU for your sense of kindness.

Please contact Kristal ([kristal@missoulacommunityschool.org](mailto:kristal@missoulacommunityschool.org)) or Megan ([megan@missoulacommunityschool.org](mailto:megan@missoulacommunityschool.org)) with any questions. We will be contacting you again to answer any questions and/or to help you plan your donation. Thanks again! Your donation is much appreciated!
